

A justiça começa onde termina a desigualdade

Estamos construindo um mundo onde todos têm o poder de moldar suas vidas.

Sobre nós (/about/about-ford/)

Investimos em ideias , pessoas e instituições transformadoras

Estamos reinventando a filantropia para catalisar líderes e organizações que impulsionam a justiça social e criam movimentos em todo o mundo.

Como trabalhamos (</work/challenging-inequality/>)

Perturbando os sistemas para promover a justiça social

Acreditamos que a desigualdade está na raiz de quase todas as injustiças. Para criar mudanças significativas e duradouras, nos concentramos em nove áreas interconectadas.
