2. The CNS personnel shall not be considered in any respect as being the employees or agents of UNDP. The CNS shall ensure that all relevant national labor laws are observed.

- (c) Subject to the requirements outlined in the document "UNDP public information disclosure policy", information that is considered confidential shall not be used without the authorization of UNDP. The Project Director may communicate with the media regarding the methods and scientific procedures used by the CNS; however, UNDP clearance is required for the use of the name UNDP in conjunction with Project Activities in accordance with Article IV, paragraph 5, above. #### **Article VII. Supplies, Vehicles and Procurement**

1. UNDP shall contribute to the Project the resources indicated in the Budget section of the Project Document.
2. Equipment, non-expendable materials, or other property furnished or financed by UNDP shall remain the property of UNDP and shall be transferred to the CNS, when deemed appropriate by the Parties, according to the applicable UNDP Rules and Procedures, unless the procurement process is undertaken directly by CNS, in which case the equipment, non-expendable materials or other property will remain property of CNS. During Project implementation and prior to such return, the CNS shall be responsible for the proper custody, maintenance and care of all equipment. The CNS shall, for the protection of such equipment and materials during the period of custody by the CNS, obtain appropriate insurance in such amounts as may be agreed upon between the Parties and incorporated in the Project Budget.

4. In cases of damage, theft or other losses of vehicles and other property made available to the CNS, the CNS shall provide UNDP with a comprehensive report, including police report, where appropriate, and any other evidence giving full details of the events leading to the loss of the property.
5. In its procedures for procurement of goods, services or other requirements with funds made available by UNDP as provided for in the Project Budget, the CNS shall ensure that, when placing orders or awarding contracts, it will safeguard the principles of highest quality, economy and efficiency, and that the placing of such orders will be based on an assessment of competitive quotations, bids, or proposals unless otherwise agreed to by UNDP.

6. UNDP shall make every effort to assist the CNS in clearing all equipment and supplies through customs at places of entry into the country where Project activities are to take place.

7. The CNS shall maintain complete and accurate records of equipment, supplies and other property purchased with UNDP funds and shall take periodic physical inventories. The CNS shall provide UNDP on an annual inventory of such equipment, property and non-expendable materials and supplies, and at such time and in such form as UNDP may request.

#### **Article VIII. Financial and Operational Arrangements**

1. In accordance with the Project Budget, UNDP will make available to the CNS resources according to the project document budget. The first installment will be advanced to the CNS, according to Financial Report to be submitted by CNS and approved by UNDP. Succeeding installments will follow within estimated disbursement schedule, after the approval by UNDP of relevant financial report/documentation<sup>1</sup> on the previous installment; and upon request by CNS, as referenced in Article X, below, for the activities completed that have been submitted to and accepted by UNDP as showing satisfactory management and use of UNDP resources.

2. The CNS agrees to utilize the funds and any supplies and equipment provided by UNDP in strict accordance with the Project Document. The CNS shall be authorized to make variations not exceeding 20 per cent on any one line item of the Project Budget provided that the total Budget allocated by UNDP is not exceeded. The CNS shall notify UNDP about any expected variations on the occasion of the quarterly consultations set forth in Article IV, paragraph 3, above. Any variations exceeding 20 per cent on any one-line item that may be necessary for the proper and successful implementation of the Project shall be subject to prior consultations with and approval by UNDP.

3. The CNS further agrees to return within two weeks any unused supplies made available by UNDP at the termination or end of the present Agreement or the completion of the Project. Any unspent funds shall be returned within two months of the termination of the present Agreement or the completion of the Project.

4. UNDP shall not be liable for the payment of any expenses, fees, tolls or any other financial cost not outlined in the Project Work Plan or Project Budget unless UNDP has explicitly agreed in writing to do so prior to the expenditure by the CNS.

#### **Article IX. Maintenance of Records**

1. The CNS shall keep accurate and up-to-date records and documents in respect of all expenditures incurred with the funds made available by UNDP to ensure that all expenditures are in conformity with the provisions of the Project Work Plan and Project Budgets. For each disbursement, proper supporting documentation shall be maintained, including original invoices, bills, and receipts pertinent to the transaction. Any Income, as

<sup>1</sup> Documentation will include submission of a workplan detailing input requirements pertinent to fund requests.

defined in Article I, paragraph 1 (k), above, arising from the management of the Project shall be promptly disclosed to UNDP. The Income shall be reflected in a revised Project Budget and Work Plan and recorded as accrued income to UNDP unless otherwise agreed between the Parties.

2. Upon completion of the Project/or Termination of the Agreement, the CNS shall maintain the records for a period of at least four years unless otherwise agreed upon between the Parties.

#### **Article X. Reporting Requirements**

1. The CNS shall provide UNDP with periodic reports on the progress, activities, achievements and results of the Project, as agreed between the Parties. As a minimum, the CNS shall prepare an annual progress report.

2. Financial reporting will be monthly, unless otherwise agreed upon by the parties:

- (a) The CNS prepares a financial report and submits it to the UNDP Resident Representative in the working language of UNDP/programme country as agreed with UNDP.
- (b) The purpose of the financial report is to request a monthly advance of funds, to list the disbursements incurred on the Project by budgetary component on a monthly basis, and to reconcile outstanding advances and foreign exchange loss or gain during the period.
- (c) The financial report has been designed to reflect the transactions of a project on a cash basis. For this reason, unliquidated obligations or commitments should not be reported to UNDP, i.e., the reports should be prepared on a "cash basis", not on an accrual basis, and thus will include only disbursements made by the CNS and not commitments. However, the CNS shall provide an indication when submitting reports as to the level of unliquidated obligations or commitments, for budgetary purposes;
- (d) The financial report contains information that forms the basis of a periodic financial review and its timely submission is a prerequisite to the continuing funding of the Project. Unless the Financial Report is received, the UNDP Resident Representative will not act upon requests for advances of funds from UNDP;
- (e) Any refund received by CNS from a supplier should be reflected on the financial report as a reduction of disbursements on the component to which it relates.

3. Within two months of the completion of the Project or of the termination of the present Agreement, the CNS shall submit a final report on the Project activities and include a final financial report on the use of UNDP funds, as well as an inventory of supplies and equipment.

#### **Article XI. Audit Requirements**

1. The CNS shall submit to the UNDP Resident Representative in Brazil a certified annual financial statement on the status of funds advanced by UNDP. The Project will be audited at least once during its lifetime but may be audited annually, as will be reflected in the annual audit plan prepared by UNDP in consultation with the Parties to the Project.

The audit shall be carried out by a qualified audit firm, agreed to by the parties, which will produce an audit report and certify the financial statement.

2. Notwithstanding the above, UNDP shall have the right, at its own expense, to audit or review such Project-related books and records as it may require and to have access to the books and record of the CNS, as necessary.

#### **Article XII. Responsibility for Claims**

1. The CNS shall indemnify, hold and save harmless, and defend at its own expense, UNDP, its officials and persons performing services for UNDP, from and against all suits, claims, demands and liability of any nature and kind, including their cost and expenses, arising out of the acts or omissions of the CNS or its employees or persons hired for the management of the present Agreement and the Project.

2. The CNS shall be responsible for, and deal with all claims brought against it by its Personnel, employees, agents or subcontractors.

#### **Article XIII. Suspension and Early Termination**

1. The Parties hereto recognize that the successful completion and accomplishment of the purposes of a technical cooperation activity are of paramount importance, and that UNDP may find it necessary to terminate the Project, or to modify the arrangements for the management of a Project, should circumstances arise that jeopardize successful completion or the accomplishment of the purposes of the Project. The provisions of the present Article shall apply to any such situation.

2. UNDP shall consult with the CNS if any circumstances arise that, in the judgment of UNDP, interfere or threaten to interfere with the successful completion of the Project or the accomplishment of its purposes. The CNS shall promptly inform UNDP of any such circumstances that might come to its attention. The Parties shall cooperate towards the rectification or elimination of the circumstances in question and shall exert all reasonable efforts to that end, including prompt corrective steps by the CNS, where such circumstances are attributable to it or within its responsibility or control. The Parties shall also cooperate in assessing the consequences of possible termination of the Project on the beneficiaries of the Project.

3. UNDP may at any time after occurrence of the circumstances in question, and after appropriate consultations, suspend the Project by written notice to the CNS, without prejudice to the initiation or continuation of any of the measures envisaged in paragraph 2, above, of the present Article. UNDP may indicate to the CNS the conditions under which it is prepared to authorize management of the Project to resume.

4. If the cause of suspension is not rectified or eliminated within 14 days after UNDP has given notice of suspension to the CNS, UNDP may, by written notice at any time thereafter during the continuation of such cause: (a) terminate the Project; or (b) terminate the management of the Project by the CNS, and entrust its management to

another institution. The effective date of termination under the provisions of the present paragraph shall be specified by written notice from UNDP.

5. Subject to paragraph 4 (b), above, of the present Article, the CNS may terminate the present Agreement in cases where a condition has arisen that impedes the CNS from successfully fulfilling its responsibilities under the present Agreement, by providing UNDP with written notice of its intention to terminate the present Agreement at least 30 days prior to the effective date of termination if the Project has a duration of up to six months and at least 60 days prior to the effective date of termination if the Project has a duration of six months or more.

6. The CNS may terminate the present Agreement only under point 5, above, of the present Article, after consultations have been held between the CNS and UNDP, with a view to eliminating the impediment, and shall give due consideration to proposals made by UNDP in this respect.

7. Upon receipt of a notice of termination by either Party under the present Article, the Parties shall take immediate steps to terminate activities under the present Agreement, in a prompt and orderly manner, so as to minimize losses and further expenditures. The CNS shall undertake no forward commitments and shall return to UNDP, within 30 days, all unspent funds, supplies and other property provided by UNDP unless UNDP has agreed otherwise in writing.

8. In the event of any termination by either Party under the present Article, UNDP shall reimburse the CNS only for the costs incurred to manage the project in conformity with the express terms of the present Agreement. Reimbursements to the CNS under this provision, when added to amounts previously remitted to it by UNDP in respect of the Project, shall not exceed the total UNDP allocation for the Project.

9. In the event of transfer of the responsibilities of the CNS for the management of a Project to another institution, the CNS shall cooperate with UNDP and the other institution in the orderly transfer of such responsibilities.

#### **Article XIV. *Force majeure***

1. In the event of and as soon as possible after the occurrence of any cause constituting *Force majeure*, as defined in Article I, paragraph 1, above, the Party affected by the *Force majeure* shall give the other Party notice and full particulars in writing of such occurrence if the affected Party is thereby rendered unable, in whole or in part, to perform its obligations or meet its responsibilities under the present Agreement. The Parties shall consult on the appropriate action to be taken, which may include suspension of the present Agreement by UNDP, in accordance with Article XIII, paragraph 3, above, or termination of the Agreement, with either Party giving to the other at least seven days written notice of such termination.

2. In the event that the present Agreement is terminated owing to causes constituting *Force Majeure*, the provisions of Article XIII, paragraphs 8 and 9, above, shall apply.

#### Article XV. Arbitration

The Parties shall try to settle amicably through direct negotiations, any dispute, controversy or claim arising out of or relating to the present Agreement, including breach and termination of the Agreement. If these negotiations are unsuccessful, the matter shall be referred to arbitration in accordance with the arbitration rules of the United Nations Commission on International Trade Law. The Parties shall be bound by the arbitration award rendered in accordance with such arbitration, as the final decision on any such dispute, controversy or claim.

#### Article XVI. Privileges and Immunities

Nothing in or relating to the present Agreement shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations and UNDP.

#### Article XVII. Amendments

The present Agreement or its Annexes may be modified or amended only by written agreement between the Parties.
