SOP for AZD COVID-19 Vaccines

Background: Products will be purchased from an AstraZeneca's ("AZ") Allocation Holder, through Davati Medical Supply, LLC, but all transactional, testing, SGS, and shipping documents come from AZ. Payments are made to Allocation Holder ("Seller")

- 1) Buyers group executes Davati Medical's NCNDA.
- 2) Government Buyer ("G-Buyer") issues Government letter according to AZ template provided by Davati Medical.
- 3) Davati Medical issues FCO with product information and affidavit concerning allocation.
- 4) G- Buyer executes FCO.
- 5) Davati Medical Supply Executes IMFPA with buyers' intermediaries and facilitators.
- 6) Davati Medical submits order to Seller/AZ.
- 7) AstraZeneca responds to order within a 2-week period and provides detailed commercial documents, including but not limited to SGS report, firm delivery schedule, testing data, and other technical docs. These commercial documents can also be used to authenticate the products authenticity.
- 8) G-Buyer provides ICPO to Seller.
- 9) Seller provides SPA. Upon signing of SPA by all parties and acceptance of LC format by Seller, if applicable, Seller will provide full set of regulatory documents (Manufacturing License and COA) to enable the registration of the vaccine in the specific country, if already not registered by AZ.
- 10) G-Buyer to provide LC in name of Seller. Delivery will be scheduled as per the delivery schedule already accepted by buyer. If G-Buyer is not using LC, then money shall be transferred to an escrow account for payment upon acceptance.
- 11) All deliveries are CIF, directly to Government's airport of choice, and will be supplied to the specific country as per the ICPO and executed SPA. Country specific registration of the product has to be complete and copies given to Seller before the product is shipped. Government handles all logistics and importing.
- 12) After product is paid-in-full upon shipping, Seller issues comms to Davati; and Davati pays comms to the Buyer's reps as per the executed IMFPA, after receiving payment from the master distributor.

[Government Letterhead]

To: AstraZeneca

C/O: Davati Medical Supply
and its Allocation Holder ("Seller")

This Letter of Intent is addressed to you to set forth the urgent and imminent interest of our government for the Country of _____, to contract and authorize Seller to procure the supply of 0,000,000 doses / 000,000 5mL multi-dose vials of AstraZeneca's AZD1222 vaccine. We attest that we are purchasing these vaccines for the exclusive use of vaccinating our population against COVID-19, and that this product will not be resold under any circumstance.

Based on the above, please send us a Full Corporate Offer along with verifiable information specifying factory location, product specifications, etc. to enable us to conduct due diligence of authenticity of the very critical and important life-saving vaccine much needed in this fight against the Pandemic. Once we are satisfied with documentation, we shall expeditiously move forward with the order placement and signing of the Sales Purchase agreement and payment procedures to secure the timely procurement of the vaccines for our people.

After AstraZeneca has provided us all necessary and required commercial documents, including but not limited to Certificate of Authentication, testing reports, SGS report and Bill of Lading, our Government agrees to make all payments directly to the Allocation Holder.

Our Government further agrees to allow and take responsibility for importing the AZD1222 vaccines stated above once the shipment arrives CIF to our country of _____.

We understand that AstraZeneca must do due diligence and contact one or more government officials, including an embassy to embassy call from the embassy in India or UK in order to confirm that authenticity of this LOA/LOI letter, and our Government agrees to assist them in this mission.

We appreciate your consideration of this order.

Signed,

(Government Official)
