Gabinete do Senador Ciro Nogueira

REQUERIMENTO Nº DE

Senhor Presidente,

Requeiro, nos termos do art. 40 do Regimento Interno do Senado Federal, em face do que dispõe o art. 55, III, da Constituição Federal, licença para desempenhar missão no exterior, com ônus para o Senado Federal, em Genebra, Suíça, de 17/09/2025 a 18/09/2025, a fim de representar o Parlamento Brasileiro, junto à União Interparlamentar, na qualidade de presidente da UIP, no Fórum Público da Organização Mundial Comércio, conforme os seguintes documentos anexos: Ofício de Autorização do Presidente do Senado Federal, Davi Alcolumbre, Convite da União Interparlamentar e Programação Oficial do evento.

Comunico, nos termos do art. 39, I, do Regimento Interno do Senado Federal, que estarei ausente do País de 16/09/2025 a 21/09/2025, para desempenho desta missão.

JUSTIFICAÇÃO

Há dados incongruentes sobre a balança comercial brasileira no momento atual. Enquanto a Associação de Comércio Exterior do Brasil (AEB) projeta uma queda de 27,4% no superávit em relação a 2024, com um aumento nas importações; o Ministério do Desenvolvimento, Indústria, Comércio e Serviços (MDIC) informa um superávit de US\$ 7,1 bilhões em julho, com crescimento nas exportações e importações. Num ambiente extremamente incerto

para os mercados no mundo e a aceleração do fenômeno do comércio digital, é fundamental a participação dos Parlamentos nas discussões sobre esses temas.

A minha participação no Fórum Público da OMC, enquanto representante do Parlamento Brasileiro junto à UIP, trará não apenas maior credibilidade em relação ao desejo do Congresso Brasileiro em contribuir para a solução de problemas concernentes ao comércio mundial, como também enriquecerá os debates internos na Casa, principalmente na Comissão de Assuntos Econômicos, da qual sou integrante.

Sala das Sessões, 20 de agosto de 2025.
