14th BIEN CONGRESS
MÜNCHEN 2012

Sept. 14th – 16th, 2012

LETTER OF INVITATION

To His Excellency
Senator José Sarney
President of the Brazilian Federal Senate

Berlin, 20.08.2012

Dear Senator José Sarney,

The 14th Congress of the *Basic Income Earth Network* will take place from September 14th to September 16th, at the Wolf-Ferrari-Haus in Ottobrunn near Munich. The congress main theme deals with pathways to a basic income.

Every other year researchers, scholars, policy makers and politicians from different parts of the world get together to discuss alternatives that could lead to the promotion and implementation of an elementary principle of social justice: the guarantee of a monetary income. Ideas, experiences and new designs for public policies will be addressed by specialists and several guests for three days.

We would like to invite Senator Eduardo Suplicy to represent the Brazilian Senate on the conference. In January 2004 the former Brazilian president Luís Inácio Lula da Silva sanctioned Law 10.835/2004. This law created the Citizenship Basic Income that assures an equal income monetary transfer to all Brazilian citizens resident in the country and the foreign people who live in Brazil for at least five years, without considering social and economical situation. The Citizenship Basic Income could be implemented step by step, decided by the Executive Power, having the poorest population as priority. We would like to learn about the Bolsa Família program and the foundation and conceptions that orient conditionalities adapted by the Bolsa Família.

Further information about the Congress, including the programme, registration methods and travel arrangements can be found at www.bien2012.de.

Hoping that Senator Suplicy will be able to join us in Munich for the 14th BIEN Congress 2012, we remain

Yours sincerely,

Dorothee Schulte-Basta
