Dear Senador Filho,

I am pleased to extend this invitation to the forthcoming **Plenary meeting of the OECD Global Parliamentary Network**, which will take place at the OECD Conference Centre in **Paris** on **3-4 April 2024**.

Recognising the crucial role that Members of Parliament play in addressing the most pressing issues on national and international policy agendas, the OECD actively engages with parliamentarians through its Global Parliamentary Network. This Network connects legislators and parliamentary advisors from OECD member and partner countries, providing a forum to discuss reforms in their countries, share experiences, learn from each other and from OECD experts.

The meeting will provide an opportunity to engage in dialogue on a range of critical issues, focusing on key areas of the OECD's work. As in previous years, legislators will also be invited to meet bilaterally with the teams analysing their country's performance in the OECD Economics Department.

The meeting is open to legislators and parliamentary officials from OECD and partner countries. Outside the main programme, the meeting will also include a **Special Session for legislators from OECD Accession countries** on the morning of **5 April**.

The programme and other relevant information are available, and will be updated regularly, at www.oecd-events.org/gpn2024/, where you can also find more information and resources on our previous meetings. If you have any questions or queries, your office can contact the Global Parliamentary Network team at parliamentarians@oecd.org.

I look forward very much to welcoming you to Paris for this important event.

Yours sincerely,

Elsa Pilichowski
