

Presidente do Senado Federal: Sen. Rodrigo Pacheco  
Brasil

Agosto, 09, 2023

Excelentíssimo Presidente do Senado Federal: Sen. Rodrigo Pacheco

Escrevo-lhes em um momento de grande preocupação e urgência. A vida de pessoas inocentes está em jogo e o futuro de sua existência está em suas mãos.

O ativismo irresponsável do judiciário ameaça tirar a vida de inúmeros bebês não nascidos e é hora do parlamento agir.

Não podemos ficar parados enquanto o judiciário ultrapassa seus limites, ignora a vontade do povo e tira a vida dos mais vulneráveis.

Imploramos que você ouça as vozes de milhares de brasileiros indignados que exigem mudanças nessa situação vergonhosa. O momento de agir é agora e, como presidentes das distintas casas, vocês tem uma enorme responsabilidade em defender os valores que formam a base de nossa sociedade.

Com os melhores cumprimentos,
